Approve building permit for Joe Conlon – New cement drives for house garage and detached garage
(Curb needs to be replaced at city expense for both drives)

Ayes: All. Nays: None. Motion carried.

New Business:
Don Moore was still waiting to obtain more information for our Antidegradation Analysis so he was not able to attend the meeting but instead will attend the meeting on March 23, 2020.

The agenda was moved around some as to accommodate the City Attorney to be able to leave the meeting early to attend her children's school function.

The zoning for a Dollar General to locate in Allison was discussed. Emily will check further into our Code to make sure this would be an allowable use. She will report back to City Council.

JB Marks was at our last Council meeting on Feb. 24, 2020 and was wondering why the parcel platted as 10th Street on Cherry Street was never deeded over to him as approved per Resolution 08-08.1. There is also a small strip of land owned by the City that adjoins his property on Cherry Street known as parcel #0730101001 that needs to be vacated as it has no value to the City. Emily will start the process to get that property vacated to eventually get this small parcel and the parcel known as 10th Street deeded over to Mr. Marks and his wife.

1099's for the ambulance crew were again discussed as the City was contacted by the Auditors of the State of Iowa's Office that someone had reported to them that the City was not issuing 1099's to the ambulance crew for monies earned for officers fees and ambulance runs. The City attorney will check further into this matter and report back to City Council.

2 representatives from the Trinity Reformed Church were present at the meeting to discuss if it would be possible to tile out the church parking lot and hook that tile into a tile that may exist in Cherry Street. They will do some further re-

search into this matter and keep the Council informed.

Motion by Henning with a second by Bangasser to approve Resolution #20-03.1 – Resolution approving the adoption of the Butler County Multi-Jurisdictional Hazard Mitigation Plan. Ayes: All. Nays: None. Motion carried.

Motion by Davis with a second by Carlson to approve Resolution #20-03.2 – Resolution adopting the annual budget for the fiscal year ending June 30, 2021. Ayes: All. Nays: None. Motion carried.

The two estimates received from Nedi Masonry Repair and Pajic Tuckpointing for repairs needed on City Hall were discussed and it was decided that the two council members on the property committee would review the estimates more in depth and report back to Council at the next meeting.

The Park Board has drawn up specs for mowing at Wilder Park and an ad will be placed in the local papers and on facebook to obtain bids for this mowing for 2020. It was decided by Council that Michael Stirling would be asked to again mow the cemetery at the same price he mowed it for last year. They asked Michael to draw up a two-year contract with the possibility of the continuance of a third year option. This will be approved at the next meeting on March 23, 2020.

Spring reminders will again be placed in the Tribune Journal and on facebook.

Old Business:
Jodi and Ron have recently met with the pool board and a gentleman that has many years of pool repair experience. He will be giving the pool board a price for some needed equipment for the pool and some pool repairs. He could do an assessment with a pressure test that would cost around \$2,000 and that would detect any leaks in the water lines. Once the pool board gets his estimate – they will bring it back to Council to make some decisions on just what will be done at the pool in the near future.

Adjournment: Motion by Davis to adjourn at 7:41 p.m. with a second by Bangasser. Ayes: All. Nays: None. Motion carried.

ATTEST:
